Mr. Kory & Ms. Jill's Class

The middle/high/transition SCI rooms offer weekly lunches to our staff members for donation. The process includes: students voting for the following week's menu, passing out order forms to staff on Mondays using communication devices, collecting orders on Tuesdays, counting orders to create a grocery list on Wednesday followed by taking transit to grocery store to shop for ingredients, and on Thursday we prepare & measure ingredients, make and assemble orders, deliver and collecting money. The money we collect is used for extra activities, resources, and materials for our students. Our goal is to take our students on a fun, educational field trip!

Thank You!

Thank you to everyone who donated to the School Store. The PBIS team was able to stock the store with tons of new items.
