

Curriculum Assessments, Developmental Screenings, and Classroom Coaching Resources

Creative Curriculum Support is provided for all MAISD GSRP Partners free of charge

SmartTeach is provided for all MAISD GSRP Partners free of charge

MAISD is pleased to provide curriculum, assessments, and resource materials to our partners to support the implementation of Creative Curriculum and other developmentally appropriate practices. Materials for GSRP Classrooms include:

- [Unpacking the Pyramid Model: A Practical Guide for Preschool Teachers](#)
- Creative Curriculum (digital and onsite materials)
- Lending Library Creative Curriculum Studies (69 studies available)
- AI's Pals SEL Curriculum (digital and onsite materials)
- SmartTeach Lesson Planning Resources
- Ages and Stages Questioner Third Edition (ASQ3) Training and Materials
- Preschool Early Literacy Indicator (PELI) Training and Materials

Contact [Mary Shallman](#) for more information about SmartTeach resources and access

Early Childhood Specialist (ECS) coaching on Creative Curriculum, Smart Teach, and ASQ3 provided tools.

Classrooms will attain the materials when the Early Childhood Specialist (ECS) begins supporting the program.

If the sub-recipient chooses to use an approved curriculum and/or screener as identified/allowed by the GSRP Implementation Manual please provide a plan of implementation that includes the following:

- ECS coaching resources
- Training plan for:
 - Curriculum
 - Development Screener
- Onsite training on implementation of:
 - ASQ3
 - Creative Curriculum
- Alignment to SmartTeach required assessment tool
 - Yes
 - No
- Plan for implementation assessment in addition to SmartTeach
